REQUEST FOR PROPOSALS

DEPARTMENT OF PUBLIC WORKS, DIVISION OF WASTE
COLLECTIONS

I. Introduction and Background

The City of Cleveland is located on the southern shore of Lake Erie in northeast Ohio. The population according to the 2017 Census Bureau was 385,525 making it the second largest city in Ohio. The City covers an area of nearly 83 square miles.

With this Request for Proposals (RFP), the City of Cleveland, Ohio, through its Director of Public Works, is soliciting responses from qualified firms to retrieve and reuse or 125,000 recycle blue 64 gallon residential waste collection recycle carts. Upon retrieval, the vendor will take possession of the carts. The vendor may dispose, recycle or re-purpose the carts. The City of Cleveland would prefer that the carts are recycled or re-purposed. Two percent of the carts retrieved need to be allocated back to the City of Cleveland for inventory purposes. The carts being allocated back to the City of Cleveland need to be in fully assembled, and in good condition.

This is part of a broader initiative to restart the residential curbside recycling program. The initial recycling program began in 2007 with 155,000 households enrolled and issued 64-gallon carts. The program was suspended in 2020 due to excess contamination in the carts. The restarted recycling program is an optional for residents to participate. We expect 30,000 households to recycle. Thus, leaving approximately 125,000 excess carts that need to be retrieved.

One purpose of this RFP is to retrieve 64-gallon recycling carts from residential locations. The remaining carts should be prepared for recycling. If requested by the vendor, the city can provide a paved staging yard within 5 miles of retrieve retrieval locations. The city will also coordinate garbage/recycling collections routes to allow for a higher retrieval rate.

- a. Under the *Cleveland Area Business Code*, the City of Cleveland is firmly committed to assisting Minority Business Enterprises (MBEs), Female Business Enterprises (FBEs), and Cleveland- area small businesses (CSBs) by providing and enhancing economic opportunities to participate in City contracts. The successful proposer for a contract will be a firm that shares that commitment. The Proposer shall submit the completed forms with its proposal, and they will be forwarded to the City's Office of Equal Opportunity for evaluation. The City Office of Equal Opportunity will monitor participation of MBE, FBE, and/or CSB sub-consultants throughout the duration

of the engagement or project. The successful proposer, as contractor, will be responsible for providing the OEO with all information necessary to facilitate this monitoring.

When there are CSB, MBE and/or FBE goals established in the bid specifications, subcontractor substitutions must preserve the original bid participation percentage, unless the Director waives the requirement. The undersigned agrees that if awarded a contract, it will enter into a written agreement with each subcontractor listed above. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
